HELP AGS RAISE MONEY FOR OUR PLAYGROUND!

During the 2016-2017 school year, it is Knight Vision's mission to raise enough money to begin working on the preschool area of our playground project and we need your help!

There are many different ways you can contribute. We have begun a Go Fund Me page (<https://www.gofundme.com/26y44264>) for those who just want to give without purchasing anything. Later this month our students will be doing a school-wide fundraiser that you can support. We will have other events throughout this year such as the pork chop dinner, gift basket auction, spring carnival and much more.

We would like say "Thank You" to....

- Arthur Community VBS for raising \$2,287 this summer and donating it to our playground project!
- Arthur Girl Scouts for contributing \$190 from money that each girl brought during their meeting times.
